

LEGAL TERMS OF SALE AND WEBSITE USE – Indemnity of Waiver of Liability Clause

MJ Safety Solutions, LLC, its owners, Officers, and/or affiliates (including Body Armour Canada Ltd.) assume No liability other than Manufacturer's Warranty, as applicable, and hereby make no warranty, express or implied. We neither assume, nor authorize any person to assume for us, any liability in connection with the sale or use of the goods sold, and there are no oral agreements or Warranties collateral to or affecting this agreement. We hereby give notice that any statement made by us in the sale of the goods, shall not create any warranty that the goods be fit for any particular purpose. Statements, images, videos or descriptions are informational only, and not made or given as a warranty of the goods in any way. We specifically disavow any other representation, warranty, or liability related to the condition or use of the goods.

MJ Safety Solutions, LLC, its owners, Officers, and/or affiliates (including Body Armour Canada Ltd.) do not cover any consequential damages, and liability is limited to repairing or replacing defective goods. This product is sold "AS IS" and "WITH ALL FAULTS". The entire risk as to the quality and performance of the product is with the consumer. We are not an insurer, and bear no liability for any use, misuse, or failure to perform. Our Manufacturer Warranty as applicable IS IN LIEU OF ALL WARRANTIES INCLUDING THE IMPLIED WARRANTIES OF FITNESS AND MERCHANTABILITY. INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES ARE EXCLUDED.

NO Antiballistic panel (especially MJ Safety Solutions panel) or armour or protective gear of any kind, is 100% bulletproof or bullet resistant. A "bulletproof / bullet resistant" panel, vest or other carrier will protect you from the vast majority of pistol ballistic threats you are ever likely to face. Please know that rifle rounds, unusually high velocity pistol ammunition, pistol ammo fired from a rifle barrel, armor piercing ammunition, sharp-edged or pointed instruments (e.g., knives, ice picks, etc.), and/or other unusual ammunition or situations CAN defeat ballistic panels.

Also, at some angles projectiles can slide, or deflect off the edges of the panels, or ricochet. Furthermore, projectiles that are successfully stopped by bullet-resistant panels will always produce some level of injury, resulting in severe bruising, broken bones, and possibly serious internal injury or even death. Anti-ballistic panels defeat most pistol and shotgun projectiles, but No vest/panel on earth makes you invulnerable to all threats. To state the obvious, getting shot ALWAYS carries some risk.

By buying a panel or product containing a panel you assume ALL risks of use or misuse and agree not to hold us liable in any way and to indemnify us from any responsibility from any and all use and/or misuse of the same. In addition, YOU are responsible to ensure that your ballistic panels are positioned properly, properly cared for and not out of date (5 years after date of manufacture).

MJ Safety Solutions panel will protect you from the vast majority of hand-delivered edged weapon threats you are ever likely to face. Please know that pointed knives, axes, hatchets, adzes, digging picks, etc., claw hammers, crowbars, bayonets mounted on rifles, spears, lances, etc., unusually strong pressure or force behind the stab blow and/or other unusual weapons or situations... CAN defeat any stab-resistant body armor including MJ1 Safety Solutions panel. Also, at some angles weapons can slide, or deflect off the edges of MJ Safety Solutions panel. Furthermore, impacts that are successfully stopped by the vest will always produce some level of injury, resulting in severe bruising, broken bones, and possibly serious internal injury or even death. Stab-Resistant vests / MJ Safety Solutions panel defeat most common threats, but NO vest/panel on earth makes you invulnerable. To state the obvious, getting stabbed ALWAYS carries some risk.

This website or print material could include technical or other inaccuracies or typographical errors, Changes are periodically added to the information herein; these changes will be incorporated in new editions of this Website. MJ Safety Solutions LLC (as well as Body Armour Canada Ltd.), may make improvements and/or changes in the product(s) and/or the program(s) described in this website at any time. Features and specifications of all MJ Safety Solutions LLC products are subject to change without notification. Video, audio, picture representation on the web site or print material are for promotional interest only and should not be duplicated, copied, or tried by the purchaser and does not constitute performance or convey a warranty of any kind.

Purchaser covenants and agrees that the purchaser or his heirs, agents, assigns shall NEVER bring any action in any court of law.

If any part of these Terms are held to be invalid by a court of competent jurisdiction, such shall not affect the validity of any other part of these Terms. Headings are for convenience only, and do not limit or affect these Terms.

We reserve the right to refuse to sell to anyone, in our sole discretion. By buying our product you guarantee that you are not legally prohibited from owning body armor, or antiballistic panels and also that you are not associated with any criminal group in any way, and have only a lawful purpose for owning body armor or anti-ballistic panels. It is the SOLE responsibility of the purchaser to ensure that all transactions conform to all Canadian Federal and Provincial laws as well as all US and local Federal, State and Local Statutes, Codes, and Ordinances. Residents of Connecticut are prohibited from buying body armor unless the sale is face to face (or unless the buyer is a police officer, Police Department, or military). We cannot ship to residents of Connecticut who are not police or military.
